New Years Kickoff Meeting!

We are riding a massive red wave into 2022, and there is a great deal to be grateful and optimistic about. Join us as we kick off a fabulous New Year with the follow special guest speakers:

Gavin Wax

Dynamic young president of New York Young Republican Club, chairman of the Association of Young Republican Clubs, digital director of the Young Republican National Federation, Ambassador for Turning Point USA, associate fellow at the London Center for Policy Research, and past Lincoln Dinner honoree for Young Republican of the Year.

Barbara from Harlem

Liberal by default, active with the NAACP and Charlie Rangel Club. She walked away from the Democrat Party and is now telling the story of her awakening to the world. She will be signing copies of her compelling and illuminating memoir for purchase: "Escaping the Racism of Low Expectations."
